AND JUDICIAL REFORMS
in Mumbai : Sat.-Sun. 22nd-23rd Dec. 2007
at The Indian Merchants Chamber, Churchgate

Dear friend,

Here is our cordial invitation to all citizens: common man, jurists, corporates, philanthropists, trade-business & professional associations and NGOs to attend the convention and resolve to fight for fast track judiciary.

If you can't register yourself as a delegate recommend your friends to participate in the most important mission of achieving the goal of speedier justice at affordable cost as well as to convert the judiciary into people friendly and accountable system.

This is the most important task ever undertaken so far by any individual or organization in the history of Indian judiciary in independent India. The history of Indian Judiciary is for taking a decisive

turn for good. Join the movement and become a freedom fighter for new Azadi.

The convention will be inaugurated by Hon'ble Justice R.C.Lahoti, the former Chief Justice of India, who will deliver his keynote address followed by eminent jurists and other activist speakers specially invited to contribute their valued thoughts and concepts to the August gathering.
