

## **Public Action : 26th Feb. '09**

With the backdrop of a legal tussle over disclosure of assets by Judges, the **Campaign for Judicial Accountability and Reform**, is organising a public protest outside the Supreme Court, in a bid for greater transparency and accountability in the judiciary, urging judges to make their assets public and put an end to the embarrassing controversy, which has further put the judiciary's credibility under the scanner. Kindly note, this will be a **silent demonstration** with placards, banners and posters **without any shouting of slogans**.

The public action will be held from **10 a.m. - 1:30 p.m. on the 26th of February, 2009**. You are requested to join us and kindly **assemble in front of the Indian Law Institute**, Opposite the Supreme Court, Bhagwan Das Road.

Your presence at this demonstration will greatly contribute towards the purpose and we look forward to seeing you there. Kindly circulate this information to your network of organisations and friends who may be interested in being a part of this public action.
